Mail Stop Patent Application Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Dear Sir:

Pursuant to the provisions of 37 CFR Sections 1.56, 1.97 and 1.98, Applicants submit herewith copies of the patents and document cited on the attached forms PTO/SB/08A and PTO/SB/08B for consideration during prosecution of the subject Application.

The Examiner's attention is also directed to the commonly assigned, copending application Serial No. 10/341,483, filed January 13, 2003 (Attorney Docket No. 02-mAE2-244), as set forth on page 1, lines 6-8 of the specification. A copy of this application, marked "COPY" on the first sheet thereof, is enclosed for convenience of reference by the Examiner.

Additional background information is discussed in the specification under the heading "Background of the Invention."

This Statement is filed solely for the purpose of complying with the pertinent rules of the Office and is not intended to be a substitute for an independent evaluation by the examiner of the art cited or an independent search by the examiner, and no representation of any nature is made or intended by the filing of this Statement.

In addition to the art cited on forms PTO/SB/08A and PTO/SB/08B, Applicants and/or their attorneys may have been exposed to or considered additional art relating to the general class of the subject matter of the invention. However, if in fact such exposure or consideration has occurred, to the best of their recall or judgment, none of such art is prior art which is more relevant than the art cited.

Respectfully submitted,

Kirk D. Houser
